

FIT-4-2

PREGNANCY FITNESS

Instructed by Physiotherapists

Fit-4-2 classes are designed to provide safe exercise for pregnant ladies, with exercises focused on targeting the body areas affected by pregnancy and helping to reduce the symptoms of pregnancy.

The classes incorporate

- Pilates based strengthening exercises
- Low impact cardio workout
- Stretches
- Supportive environment with other mums-to-be

Class numbers are kept to a maximum of 8 to ensure that individual attention can be given.

Prices: Casual \$22, Set of 10 classes: Flexible Set \$190 / Locked In Set (attend at least one class a week) \$160.

Rebates can be claimed on private health cover.

Contact: Louise Hateley / louise@fitbyphysio.com.au / 0406581869 / www.fitbyphysio.com.au

FREE CLASS: Print a free class voucher off the website or bring a flyer to have a free trial class. Call Louise to book your class.

Ensure to bring a water bottle to the class and that you have had something to eat within the previous 4hours.
